SpiceWorx Consultancy successfully delivered "Report of Philippine Software Industry Association (PSIA) Quick Survey on Software Services Export for Japanese Market" to Japan External Trade Organization (JETRO). The key findings of the survey will be reported at e-Services Philippines 2010 on February 2010, during the PSIA/JETRO special session with Japanese delegation at SMX Convention Center, Pasay City, Philippines. The report (in Japanese) will be made available for download from PSIA Japanese website after the eServices Philippines 2010.
