

For Better Collaboration between Japanese and Filipino Cross Cultural Communication and Leadership Workshop

SpiceWorx Catalyst of Global Business Success Born in Asia / Expert of Japan-Philippine Business

- ▶ *Want to improve communication with Japanese in business or are you new to doing business with Japanese? SpiceWorx's Cross Cultural Communication and Leadership Workshop can help you.*
- ▶ *Two Japanese, a communication expert and a JP-PH business advisory expert, both with long experience, facilitate the workshop in English or in Japanese.*
- ▶ *SpiceWorx's workshops enjoys high-satisfaction rating from over 900 participants that averages at 4.7 / 5.0.*
- ▶ *Become better at understanding non-verbalized contexts to collaborate with Japanese more effectively!*

Standard Contents

- ▶ Basic concepts, frameworks and tools of cross cultural communication.
- ▶ History, culture and values of Japan and Philippines.
- ▶ Japanese business manners and common practices.
- ▶ Motivation factors and de-motivation factors.
- ▶ Games and activities that enhance the learning.
- ▶ Group discussions and case studies.
- ▶ Action planning. (How you change your own approach based on the learning from the workshop.)
- ▶ Half-day followup after 100days is recommended.

We can customize the workshops to fit for a mixed group of Japanese and Filipinos. Such joint workshop enhances the cross-cultural understanding of Japanese-Filipino mixed team in workplace. We can also include briefing on Japan's IT industry trends and practices.
