Does your business require your employees to communicate with Japanese partners, counterparts, customers and/or colleagues? Then, this online cross cultural communication workshop is for you! Learn the essentials of working with Japanese in business, from a Japanese facilitator who has been helping Japan-Philippine businesses for over 20 years in her own company, in industry association and with government.

### Facilitator

#### Tae "Abbie" Abe-Abion

President & CEO  
SpiceWorx Consultancy, Inc.

Abbie (a Japanese national) is an experienced facilitator specializing in leadership development and mindfulness.

Having been based in Manila for over 20 years, and running business with diverse clientele from both countries, she has deep understanding of businesses between the Philippines and Japan.

### Customers Say...

Not even an hour into the main discussions, I was already getting feedback that the program was one of the best some of the participants have attended in their stay in EEI!

(Mr. Rey Dizon, VP for HR Management, EEI Corp.)

Thank you very much for your great workshop!! We learned a lot about CCC. I sent an recommendation email to XXXXX that we had a great workshop with SpiceWorx.

(Ms. Akiko Ikeda, WeServ Systems International Inc.)
